

**IMPORTANT BROADCAST MESSAGE TO ALL
FIJI NATIONAL PROVIDENT FUND [FNPF] PENSIONERS**

To All FNPF Pensioners.

By now you would have received your Information Envelope advising you of the implementation of the Fiji National Provident Fund Decree which will come into effect on March 1st, 2012.

The new FNPF Decree introduces a number of changes to the Pension Scheme that will empower our current pensioners and give all our members the confidence that FNPF is sustainable into the future.

Some of the notable changes to the FNPF Decree are as follows:

- The new FNPF Decree means that existing pension arrangements will cease with effect from 1st March 2012;
- A new age-based and sustainable pension rate will be implemented on 1st March 2012. This means the later you retire, the higher your pension rate will be;
- Current pensioners will be given a refund of the original amount they had converted to pension to take as a lump sum, or they can choose one of FNPF's new pension options – such as Life Pension or Term Annuity.

Based on the Decree, FNPF have written directly to all their Pensioners overseas advising them of the change and its effective date.

In order to facilitate this change, FNPF Pensioners are required to call the Republic of Fiji Consulate General's Office, Sydney urgently and speak to Mrs. Losana Ravuso on Telephone Number: (02) 9900 0771 or (02) 9900 0700 to set up an appointment for the scrutinizing of forms and validation of their ID.

Thank you.
